Safety Sami Says: Be safe in and around water!

TM

- Learn how to swim, tread water, and float in the water.

- Never swim alone! Always swim with a friend and an adult watching you at all times.

- Check with an adult first before diving into any water.

- Always wear a life jacket when you are on a boat or swimming in an open body of water or at all times if you do not know how to swim.

- Obey all safety rules! Never run, push, or jump on others whenever you are in or around water so that you and other children do not get hurt.
