

# The Baby Toon™

Teething Spoon

- Easy to hold and soft on gums
- Their favorite teething spoon
- Ergonomically designed for little hands

## Hi, my name is Cassidy.

I am the inventor of The Baby Toon. When I was 7 years old, I noticed that my mom always got scared when my baby sister put the back of a hard plastic spoon in her mouth. I didn't want anything to happen to her so I invented THE BABY TOON. I hope you enjoy my baby's first spoon.

Aloha,  
Cassidy

**CAUTION:** Wash and inspect before use. Discard and replace at first sign of weakness or damage. Clean in warm, soapy water and rinse thoroughly. Top rack dishwasher safe. Do not microwave, boil or steam sterilize. Always check food temperature before feeding. Do not let child walk or run while carrying the utensil. Do not leave child unattended. Discard all packaging components before use. Some foods may cause slight discoloration or stains, wash immediately after each use. Retain this information for future reference.

Munchkin has partnered with the International Fund for Animal Welfare (IFAW) to help protect important species. On behalf of you and your little ones, Munchkin has made a donation to IFAW. We love you for your support. To learn more or donate, please visit [www.ifaw.org](http://www.ifaw.org).
