

Child Harness

To Use:

1. Clip hand strap to back of harness.
2. Open hook and loop closure on harness.
3. Place harness over child's head with hook and loop closure toward child's back, and put arms through shoulder straps.
4. Adjust shoulder straps and waist strap to fit comfortably, then close hook and loop to secure.
5. Place your hand through other end of strap and you're ready to go!

To Clean:

Surface wash only with warm, soapy water, rinse thoroughly and let dry.

NOTE: Hook and loop fastening strap of waist band should overlap at least 3/4" for a secure fit.

WARNING: Possible entanglement or strangulation injury. Ensure your child is kept out of harm's way. **NEVER** leave your child unattended. This product is not a substitute for proper adult supervision.
